## AMENDMENT TO CORRECT MY SPECIFICATION

Amend paragraph [0001] of my Specification related to Patent 10/710373 filed on July 6, 2004 to read as follows:

[0001] This invention claims priority to the provisional patent application 60/484,675 and relates to information escrow and anonymous reporting systems and methods, but more specifically, to an independent information storage and retrieval system that escrows information anonymously reported under the Sarbanes – Oxley Act.

Once completed may I get a corrective filing receipt.

Please forward any questions to Erik Minor 973-228-4530

## NOTES/COMMENTS:

Delora, thank you for helping me in this matter. Below is a summary of my situation:

Attached is the letter I sent on December 1st. It was processed by USPTO on December 6<sup>th</sup>, however no update has yet to be made on my patent #10/710373 linking it back to my provisional application #60/484675.

If there is anything you might suggest that I do you can reach me at the number above.

Thank you again.
